

Santa Rosa Education Foundation

What are Teacher Grants and How Can I Help?

School supplies for success in the classroom - incentives to help motivate students – leveled books and novels to open exciting new worlds – science and math materials to inspire curiosity and critical thinking - technology to engage learning and increase student performance - endless possibilities with unlimited benefits for all students.

Grants to classroom teachers fund innovative projects to help students succeed. Santa Rosa Education Foundation has opened educational doors for twenty-four years. We ensure educational opportunities and support are available for all public school students, teachers and administrators in Santa Rosa County.

We need your help. Your contributions, great or small, will make a positive impact on education in Santa Rosa County.

Your Teacher Grant donation may be matched dollar for dollar with state matching funds to double the impact on students.

Please accept my tax deductible contribution of _____. (Thank You!)
